SAC Lynam, San Francisco, called today to advise that Martin Luther King plans to go to Sacramento, California, on 4-23-64 and will stay at the Senator Hotel there. Through a contact at the hotel we have learned that he has reserved a suite of 3 double-sized rooms (2 bedrooms separated by a parlor). SAC Lynam requested permission to conduct a survey tomorrow morning to determine the feasibility of establishing coverage of King's activities at the hotel. He said this could be done with full security.

San Francisco was authorized to make the survey tomorrow morning but, before any installation is made, the Bureau should be advised of the results of the survey and whether coverage would be possible under completely secure conditions.

RECOMMENDATION:

If the results of the survey show it is feasible and can be done with a guarantee of absolute security, that approval be granted for San Francisco to install the necessary technical coverage.
